

Mather Field Man Killed In Accident On Road At Boca

Two Seriously Injure and Two Escape As Vehicle Wrecks at 4 A. M.

A vacation in the mountains ended tragically for five soldiers stationed at Mather Field Wednesday morning at 4 o'clock when one of them was killed, two seriously injured and two others escaped with minor hurts. All were temporarily at the Hobart Mills rest camp.

The dead man is Sergeant Cleo F. Wetzel, 22, driver of the light truck which left the highway 200 yards east of the Boca road on Highway 40 and overturned pinned the soldiers underneath.

The injured are Sergeant James C. Estep, 21, and Private William Gardner, 22, who were rushed to a Reno hospital in serious condition. Sergeants Frank Shiver and Grover Conner were not hurt badly.

The five men were returning to Hobart Mills from Reno and evidently Wetzel dozed at the wheel of the machine for a second, during which time the vehicle left the road and was wrecked.

Sergeant Reynolds and Patrolman Peterson of the state highway patrol assisted army officials in the investigation.

CANADIAN VETERAN SPEAKS ON 1918 WAR FOR ROTARY CLUB

Tom Seeds, humorist and lecturer, was the speaker at an open meeting of the Truckee-Tahoe Rotary Club on Monday night. Floyd Clark was the program chairman and Past President Theodore Schleuter presided.

Seeds was a regimental sergeant major in the Canadian forces during World War I. He crossed the Atlantic nine times and was in the Battle of Mons, Battles of Ypres, Battles of the Marne and the Battle of Passchendaele. He was decorated by the King of England. He gave a very vivid picture of the above battles and brought in some humor at the same time. Seeds is now an American citizen and at present is working for the Nevada State Journal. Mrs. Seeds was a guest of the club.

Next Monday Verne Pearson is to be program chairman and will have Miss Eva Alwyn to give a dancing exhibition to which the public is invited. The time for the program is 8:15 P.M.

Miss Alwyn gave a talk on health at the ladies night last fall. Her mother gave a health course to the women of the Wyethia Club. Miss Alwyn is now giving dancing lessons in Truckee. She will be accompanied by Miss Eva Howey, Reno and Truckee piano teacher.

Funeral Services Held In County Seat for C.F. Guy

Funeral services were held last Thursday in the Nevada City branch of the Holmes Funeral home for Charles Fremont Guy, 71, former Truckee railroad brakeman, who died in the Nevada county hospital last week.

Rev. David Ralston of the Methodist Church officiated. Burial was in the Pine Grove cemetery.

Pythian Sisters Plan to Hold Card Party July 5

Summit Temple No. 79, Pythian Sisters, held their meeting in the Odd Fellows hall last Thursday night, June 24, with Mrs. Dorothy Garibaldi, most excellent chief, presiding. Mrs. Sadie Tansey, outer guard of Live Oak Temple No. 98, Berkeley, was a visitor at the session.

A public card party was announced for 8 P. M. on July 9 with refreshments and awards in auction and contract bridge and bingo. There will be a short meeting before the party at 7 P.M. Hostesses for the evening will be Mrs. Pearl Heller and Mrs. Violet Garner.

A ronsense quiz was enjoyed by all Thursday night with Mrs. Stella Englehart winning and Mrs. Garner second.

Officers Visit—

General Joseph O. Donovan, former head of selective service in California; Major K. H. Leitch, his successor, and Major Charles Goings, executive officer under Major Leitch were guests at the home of Mr. and Mrs. A. P. Leitch in Gateway Park over the weekend. Major Leitch and the local men are brothers. The former's wife was also a member of the party.

: Sun : Beams

by WALTER M. BARRETT

Representatives of the major oil companies in this region may well be commended for their activities in the current scrap rubber drive. These boys have done and are doing a whole of a job—a job, incidentally, which they are accomplishing on a purely volunteer basis. They are devoting time, effort and money to the work, driving endless miles and gathering rubber under all conditions. And they are doing it cheerfully. They ask only that they be given all possible cooperation, that home-makers, business people, children and everyone else devote a little more effort in uncovering and surrendering discarded and unnecessary rubber of all kinds. It means much to all of us to have this vital commodity and none of us can afford to relax 'til we have salvaged every ounce of rubber we can.

The weekend of the Fourth promises to see more driving on the highways than for any past year. This, coupled with the fact that tires are getting more or less uncertain on many vehicles offers a real danger unless extreme care is practiced in driving. Speed, carelessness and unnecessary chances should be avoided, even at the cost of a few minutes of time. Never feel that you are safe because you are a good driver. It takes only a second for a bad crash but the results often take years—even eternity—to cure. Be alive on the Sixth. BE CAREFUL!

Your chamber of commerce is trying to do a job for you. If you have any suggestions which might make this job better, attend the sessions of the directors every Friday afternoon at 3:30 o'clock. Your cooperation is earnestly solicited and needed.

First Fisher-Smoker Fire Is Fought by Forest Men

The first fisherman smoker fire of the season in the Truckee district was quickly suppressed by the local forest service crew along the Truckee River yesterday afternoon about a half mile west of Boca, reports District Ranger H. I. Snider. The fisherman, who was evidently smoking in a closed area, was seen by another angler hurrying away from the fire before the forestry men arrived.

This is the fifth fire caused by smokers in the past two weeks in the Truckee-Tahoe area and travelers and fishermen should remember that the forest and grass becomes dry enough to burn, even though the winter was a wet one, Snider declared.

Donner Lake Resort Is Opened for '42 Season

After weeks of extensive preparations during which time many of the buildings were moved to more advantageous locations, including the installation of the restaurant, recreation hall and offices to the immediate south side of the highway, Donner Lake Resort opened Saturday for the summer season.

Manager Louis Budo announces he anticipates a busy season this year and is making preparations to care for vacationists and transient travelers.

The entire camp has been completely renovated and altered to afford the most convenient accommodations. Truckee people are invited to inspect the remodeled resort and offer suggestions.

Piano Teacher Installs Studio Here on Mondays

Eva M. Howey of Reno, who studied under such teachers as Leopold Godowsky and who has taught the children of Leopold Stokowsky, is opening a piano studio in Truckee and will be here each Monday. Appointments may be made by telephoning Truckee 140. Miss Howey was formerly with the Columbia Concert Orchestra.

From State Capital—

Miss Yvonne Garrison of Sacramento is visiting at the home of Mr. and Mrs. E. A. Meiss.

Vacations in Denver—

Miss Frances Polyanich is vacationing in Denver, Colo., with relatives.

In East Bay Area—

Mrs. E. J. Campbell has been visiting in Oakland during the past week with her son, Major Colin Campbell, and her brother, Wm. Clouston, and family.

74th Year, No. 21

Time On Rubber Drive Is Extended Until 10th of July

Defense Stamps, Theater Passes Added to Reward For Salvage Champs.

With renewed vigor, the oil company representatives here are accepting Uncle Sam's challenge to increase the stock pile of scrap rubber and are devising plans to impress the importance of the drive on residents in this entire region.

Ernest Pinelli and H. T. Langille, co-chairmen of the local committee, are appealing to everyone to dig deeper and harder into homes, garages, junk piles and wherever it is possible rubber is located and take it to their service station. The standing offer of a cent a pound still prevails and additional bonuses are being raised.

To stimulate the local drive, special awards are being made. To the man and woman bringing in the largest amount of rubber before the new date for closing the drive on July 10, a \$5 defense stamp will be given. The stamps are being donated by the Truckee-Tahoe Rotary and Truckee Lions clubs.

A month's pass to the Dorner or Tahoe Theaters will be given by Manager Vern Shattuck to the boy or girl of school age who brings in the largest amount.

In order that the contest may be accurate, each contestant is urged to keep weight receipts given when requested so that on the last day they may be computed and the winner determined.

Langille reported that the drive here netted over 30 tons up until June 30, with oil trucks of all companies concentrating on the effort and drivers devoting long hours to the cause.

During the week a Boca resident again made rubber salvage news when 13-year-old Joann Pabst, daughter of Harold Pabst, caretaker of the dam, remembered where a pile of old tires had been buried by Civilian Conservation Corps workers. The cache yielded 5,800 pounds of scrap rubber.

During the drive and up to June 26 the total yield of scrap rubber in Boca had been 362 pounds per capita.

Incumbent Seeks Favor Of Voters At Primary

Mrs. Lila M. Champion, widow of A. B. (Bim) Champion, who was for many years connected with Nevada County Bank in Grass Valley, has announced her candidacy for re-election to the office of Public Administrator.

Her experience of many years service in that office makes her especially well qualified.

The faithful, efficient, courteous and economical manner in which the duties of the office have been discharged by her in the past should commend her to the favorable consideration of the voters.

In the public administrator's office, which handles estates of persons who have passed away without leaving heirs, residue of the estates escheat to the state, with all fees in the procedure of settlement going to the county.

Salary of the public administrator is \$400 per year. There is no other source of income.

Has Operation—

George Edward Pace, son of Mr. and Mrs. George Pace, went to Reno Wednesday where he had his tonsils removed.

Here from Roseville—

M. T. McCallar, and son, Bud, of Roseville, are here and Mrs. McCallar expects to join them for the Fourth.

Church Society Meeting—

The Woman's Society of the Community Methodist Church will meet next Thursday afternoon with Mrs. G. E. Hofmann.

Hungry Anarchist Prefers Not To Sign Up In U. S. Draft

D. H. Coulhan, 48, didn't register for selective service and doesn't want to do so.

He so informed Deputy Sheriff N. F. Dolley when he was turned over to that official by army sentries who found he possessed no identification card.

"I guess this country is as good as any," Coulhan declared when asked whether he favored our form of government, "none of them are any good." He said he hadn't eaten for two days.

Dolley took the reluctant citizen of Wisconsin to Nevada City to await action by federal authorities.

TONINI PLACED IN OFFICE AS PREXY OF LOCAL LIONS

Elden Tonini was installed as the president of the Truckee Lions Club at last night's meeting, succeeding N. F. Dolley, acting president since the departure of C. J. Bowers. Dolley was installed as first vice president and A. P. Fontana as second vice. Harry Lansberg was seated as lion tamer and H. T. Langille as tail twister. W. M. Englehart was again installed as secretary and the directors for the two year term are C. B. White and Glen Robinson.

L. R. Jefford, past district governor installed the new officers in a brief and impressive ceremony.

W. M. Englehart, Jr., invited the members to join the Civil Air Patrol and take part in the effort to keep the local airport open. Langille discussed the need for more scrap rubber.

Visitors included Fred Williford and Richard Hoskins, candidates for sheriff; James Henwood, tax collector candidate; Victor Montre of Grass Valley and Joe Levison of Los Angeles.

Pearson, White Named as School Board Officers

Vernon E. Pearson was re-elected president and C. B. White was named clerk of the board of trustees of Meadow Lake Union High School at a meeting held on July 1. White and Anthony Pace are newly elected members of the board, replacing A. Schmidt of Floriston and Lotta Bryant, former clerk, who did not seek re-election.

Land Owners Obligation In Boca Dam Defined

Charles M. Merrill, attorney for the Washoe County Water Conservation District, announced contracts between the district and federal government for repayment of construction charges of the Boca Dam now are in effect.

One of these requirements necessitates the making of payments to the district at the time of sale of any property within the boundaries of the district after January 25 of this year, at which time the Boca Dam was turned over to the district. All sellers after that date at prices in excess of the appraised value as fixed in 1936, must pay their share of the construction charges. Failure to make such payment will result in refusal of delivery of water to the land in question.

Four Candidates Out For Congress Seat in District

Congressman Harry L. Englebright will have three opponents in the coming election, the last of being R. R. Henderson, Inyo county Republican. Others are Frank G. Finnegan of Nevada City and Mrs. Gertrude Clark of Amador county.

All but Mrs. Clark have filed on both major party tickets. Mrs. Clark, a Democrat, filed only for her party nomination.

Up From City—

Mrs. M. Meagher of San Francisco was up this week looking after her Truckee property.

\$116,521.25 Bid Is Lowest On Truckee-Tahoe Road Job, Advises United Press

The W. P. Powell Paving Company, of Los Angeles was low bidder for the repaving and placing a blanket of plant-mixed surfacing and reconstructing shoulders on the Truckee-Tahoe highway project, according to a report from the United Press in Sacramento.

The bid was for \$116,521.25 and while the contract has not been awarded, Frank Clark, public works director, is scheduled to make the award shortly.

The project in question is for 10.5 miles of highway from three miles north of Tahoe City to the junction of Highway 40 a mile west of Truckee.

The state is also calling for bids for the grading, surfacing and realigning of Highway 40 between Farad and the Nevada state line, a distance of three miles. This section will be surfaced with crusher run base and plant-mixed surfacing.

This latter project is a national defense contract under defense highway act of 1941 and the Office of Production Management has indicated that a priority rating of A-4 will be assigned to the project to permit the successful bidder to purchase necessary materials.

Bids will be opened in Sacramento on July 15 at 2 P.M. A schedule of wages and other details for the project are contained in a notice on another page of the Sierra Sun today.

34 Young Men Register In Fifth Draft Sign Up

Thirty-four young men between the ages of 18 and 20 were registered in Truckee in the fifth national draft on Tuesday. No provision has been made for calling the 18 and 19 year old boys into military service as yet and instead of the customary lottery which determined the drawing of the older men, the latest class will be called according to their ages.

C. B. White and Walter M. Barrett were registrars in Truckee.

Fire Works Restrictions In Effect in Nat'l Forest

The usual restrictions of not allowing fireworks in the Tahoe Forest except under special permit in the evening along sandy beach areas of Lake Tahoe will be in effect over the Fourth of July period. It is not expected many fireworks will be bought or attempted to be used this year, since the forest cannot be jeopardized by such dangers when almost everyone is trying to use all their efforts to win the war instead of fighting fires that can be avoided, District Ranger Snider says.

County and Local Units Spend \$58.46 Per Capita

The local governments in Nevada county spent \$1,110,781 in 1940-41, an average of \$58.46 for each man, woman and child in the county, study by California Taxpayers' association of government expenditures in California by counties revealed today.

General county expenditures during the year amounted to \$602,328. The cities spent a total of \$125,787, school district expenditures amounted to \$369,920, and county special districts spent \$12,746, the survey showed.

Karl Kielhofer Promoted to Corporal In U.S. Army

A press release from Fort Lewis, Wash., to the Sierra Sun advises that Karl K. Kielhofer, 22, of Truckee has been promoted from Private to Corporal in his organization of the Army of the United States for soldierly conduct and leadership ability. He is the son of Mrs. Rose Kielhofer of Truckee and grandson of Mrs. Dan D. Smith.

Marriage License—

A marriage license was issued in Reno last week to Peter Bassi, 66, and Elizabeth Piantanida, 66, both of Truckee.

Rationing Board to Clamp Down on Priority Abusers

The Meadow Lake rationing board has received information from the Office of Price Administration which provides authority to refuse tires and tubes to any eligible purchaser who exceeds the recommended speed limits or is guilty of reckless driving.

Effective July 1, the local board may demand an affidavit from all tire applicants certifying they have not driven more than 40 miles an hour except for emergencies. All affidavits will be subject to investigation with false statements punishable by a fine of \$10,000, ten years in prison or both, the announcement said.

The order was described as the most drastic action yet taken since the rationing started and applies to bus companies, truckers and individual motorists. The action was taken to save rubber and decrease the "alarming" number of accidents.

Ben Toninis Sell Home, Plan to Leave Community

Mr. and Mrs. Ben Tonini have sold their home here to Mrs. J. H. Bernard and are making preparations to leave soon for San Luis Obispo where they will reside. They have long been residents of Truckee and their departure is greatly regretted by their many friends, who wish them success in their new home. They plan to leave in about a week.

Movie Star Is Guest At Schleuter's Lake Resort

Scotty Beckett, juvenile movie star from Hollywood, with his mother Mrs. Ruth Beckett, spent a few days at Schleuter's Resort at Tahoe Park enjoying the advantages of vacationing at Tahoe. They plan to return as soon as possible. Scotty has been in the movies since he was three years old. He was featured in the picture Kings Row, and others, including It Happened in Flatbush.

Visit Here—

Capt. Earl Personius of the motor vehicle department and James Britt, national car theft bureau, were Truckee visitors yesterday.

Licenses Issued—

Marriage licenses were issued in Reno this week to Lawrence L. Kroger, 19, and Charline Kiesling, 19, both of Truckee and to M. D. Norris, 43, of Floriston and Alvie Lovejoy of Reno.

EDITORIAL

INDEPENDENCE DAY

The Grand and Glorious Fourth!
Remember what those words connoted — before Pearl Harbor?

They called from squirming babies and shouting youngsters and sunburned grownups on beaches, at picnic groves, in bumper-to-bumper caravans of cars, in canoes, in romantic dells shaded from the bold California sun... fire crackers, thermos bottles, peanut butter sandwiches... and, the garter snakes the girls screamed at... dancing at open air pavilions, the wonder of pyrotechnic displays in the night sky, and after the hot, violent, joyous summer holiday the exquisite bliss of drowsy consciousness fading into sleep.

That's gone. The Grand and Glorious Fourth is out for the duration. This Saturday we celebrate Independence Day. The day will be most truly observed without noise and revelry. In Jap prison camps, American boys will think on the day with a pull on the heart and the fierce high pride that Nathan Hale uttered when he gave his life for this country. In hospitals, men who will never see again, men who will never walk again, will observe Independence Day. By graves newly dug, sitting alone with government telegrams, mothers and wives will observe Independence Day.

Millions of others whose sacrifices have been great or slight, who know that dangers grow and that the safety of American liberty will rest upon their faith and energy as the storms of aggression mount in fury, will observe Independence Day.

It will be a quiet and solemn day for all those millions. Some day, we all have faith, a happier America will once more cut loose on a rip-snorting Grand and Glorious Fourth. But not this year.

This year it is Independence Day—a day not of celebration but a day for which to thank Almighty God.

NO ROMAN HOLIDAY

The taxpayers' dollar is seldom at par value in the hands of spendthrift public officials. This much, at least, is evident from the revelations of a bi-partisan House committee, citing shocking waste and bureaucratic mismanagement among government war agencies. Millions of dollars of the public's money have been coolly squandered, pet peace-time government projects have been handed precious stocks of materials needed for the war effort, while great sums have been spent to support the top-heavy organizations which have sprouted with amazing rapidity in the past six months.

The American people, now paying the highest taxes in history, supporting the victory bond drive to the absolute limit of their ability, cheerfully shouldering the sacrifices that have been asked of them, will not take kindly to any carnival of squandermania at their expense. While in recent months private business enterprise has been continuously under attack by crusading prosecutors, assailed by indictments with evidence so unconvincing it wouldn't stand up in the Federal courts, it now seems that housecleaning, as usual, should start at home. The American public is paying for a war—gladly—but not for a Roman holiday of bureaucratic waste!

Defense won't keep the peace, gain a battle nor win a war.

"These busy days do need refreshment"

Running a home is a job that needs the pause that refreshes with ice-cold Coca-Cola... a little minute long enough for a big rest. You'll welcome the clean taste and wholesome refreshment of ice-cold Coca-Cola each time you drink it. Coca-Cola has quality you can trust... the quality of genuine goodness that keeps on being good.

MY PLACE IN THE SUN

by DOUG BARKETT

In undertaking the drive to raise \$375 for the USO in Truckee, the local Lions Club has committed itself to a cause worthy of its efforts. The United Service Organizations is dedicated to recreation and comfort of the millions of American men—and women—who are serving their nation in its supreme hour of need. It has been truthfully written in letters of gold on tablets of steel, "All work and no play makes Jack a dull fellow." If this is true in civilian life, it is thrice true in military life. Morale is one of the strongest weapons in this war and USO is one of the greatest morale builders we have. Just remember the slogan, "You help someone you know when you give to the USO."

One hundred and sixty-five years ago came Saturday, the congress of the United States of America met to dedicate itself and its nation to underwrite the rights of all men to life, liberty and the pursuit of happiness. It is time, then, for us to look back upon history and view our comparative positions; it is time for us to look upon the action and sacrifice of the American patriot which made us the powerful nation we are today. For seven months we have heard on every hard the wall of woe at each defeat of the United Nations and the cynical belittling of each victory. We hear the calamity howls of these high priests of doom and are discouraged by their very tone. Look back to the war of the revolution and we find that victory came not at all in three years; in the Civil War as late as 1864 a political campaign was fought on the issue of whether or not the Confederacy should be allowed to sever the Union once and forever. But there is an inherent faith in most Americans in every genera-

tion that right is on their side and victory, no matter how hard bought, is certain and final. In fighting word and fighting deed, the self-same cause which gave America birth will be rededicated in this hour of trial on Saturday, July 4, 1942, the 165th anniversary of our "new birth in freedom."

STREET SEENS: Maxine & Tony Besio gracing our community for the summer... Frank Titus upping anchor and heading back to pharmacy school in San Francisco... Myron Immer delivering the stuff that makes the wheels whirl to Orle Sanders' service station... Charlie Cabona putting the finishing touches on a job of refinishing the California Resturant... Phil Jelly and Pete Nelson sketching portraits of Tom Daley over on Bohemian Row... with Mari-Ann Tonini coming in to criticize the results... Mrs. Myron Immer making an attractive addenda to the Rossarini store staff... everybody and his uncle looking for Tom Dolley, perhaps because he's the easiest man in town to find... after driving the City Transfer dray wagon, Judge Smith ought to make a first rate jeep chauffeur.

There are just 14 days left in which to register for the primary election.

What You Buy With WAR BONDS

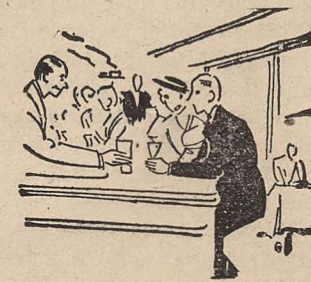

The Aerial Camera for use on Scout and Observation and Reconnaissance planes is essential to both the Army and Navy air forces in planning battle formations and in obtaining information on enemy fortifications and movements. They look something like a cannon, and cost about \$3,400 apiece.

The aerial cameraman can plot wide territories in bold relief so that Army or Navy Intelligence can make accurate measurements of enemy territory. We need many of these cameras so necessary to the air arms of the Army and Navy. You can help buy them with your purchases of War Bonds. Invest at least ten percent of your income every pay day, and help your country go over its War Bond Quota.

60 Tahoe Youth Register In Fifth R-Day for Draft

TAHOE CITY, July 2—Mrs. E. W. Bliss of Tahoe City reported that 60 boys between the ages of 18 and 20 registered for the fifth draft on Tuesday in the immediate Tahoe area.

Tom Doherty of Kings Beach registered the young men in that area.

Civilian Defense Chairmen Named by Coordinator

TAHOE CITY, July 2—John D. Burns of Tahoe City, district coordinator of civilian defense, reported on Wednesday that Mrs. A. M. Henry has been named chairman of the first aid division, A. M. Anderson is chairman of blackouts and air raid wardens, the auxiliary police will be under the Tahoe Rangers. President of this group is Game Warden Bill LaMarr. The Tahoe volunteer fire department, of which A. M. Henry is chief, will be active in fire suppression. C. W. Vernon was named chief air observer. Each group will appoint committees later.

Stanley Martin, Jr., son of Mr. and Mrs. Stanley Martin of Tahoe at this writing was seriously ill with a high fever and under the care of a doctor. Their many friends wish him a speedy and complete recovery.

MEMORIAL TRACT TO BE DEDICATED BY BISHOP AT TAHOE EPISCOPAL CHAPEL

TAHOE CITY, July 2—Rt. Rev. Noel Porter, pastor of the Tahoe Episcopal chapel and Bishop of Sacramento diocese, on July 19 will officiate at a special dedicatory service to be held following the regular services at 11 A. M. here. Shortly after noon church members and special guests will gather to place a bronze plaque upon one of the linden trees in the special plot of ground which has been given the church as a memorial to Mrs. Florence Edoff Baldwin.

A guest at Tahoe Tavern for several summers past, she took a special interest in activities of the local group during her visits here. Since her death her brother, Frank Edoff, knowing her love for Tahoe and the little chapel in the pines, has given them the deed to a piece of land just south of the church with a 200 foot frontage on the highway, running back 350 feet. It shall be known hereafter as the Florence Edoff Baldwin Memorial.

Long Distance Cyclist Is Tahoe Visitor this Week

TAHOE PARK, July 2—Unusual was one of the guests who visited the camp grounds last week-end. He was Dick Helma of Seattle, Wash., traveling by bicycle from his home to visit friends in San Diego. Apparently about 16, he was enjoying his trip immensely, telling the boys at the camp grounds of his experiences so far.

His bicycle, equipped with two speeds, is not difficult to propel over the highest mountains. As proof he recounted that he had climbed the Mt. Rose highway without difficulty and anyone having driven this route will admit that is no small accomplishment by bicycle. He has received courteous and kindly treatment along the way and is making his trip with modest expenditure.

Johanson Named Contest Head for Model Builders

TAHOE CITY, July 2—A second letter has been received by Mrs. A. M. Anderson of Tahoe City from Randolph C. Walker of Kansas City relative to the plane building contest which he and Mrs. Walker wish to sponsor for Tahoe boys. He suggests that Constable Harry Johanson be placed in charge of the proceedings, as the local peace officer has himself spent some time as an aviator in Sweden. The constable is contacting several men of the region versed in the knowledge necessary to conduct such a contest and rules should be forthcoming in time for next week's Sierra Sun. It is probable that the boys will be given three or four weeks in which to construct their models. A total of \$50 will be divided among the winners, according to the present plans.

Rosita Reynolds Manages Honeybunch Soda Fountain

TAHOE CITY, July 2—Rosita Reynolds is in charge of Mrs. Rose Boylades' Honeybunch Fountain & Lunch Room in the Darlin building in Tahoe City this season, her two assistants being Miss Winifred Harris and Betty Farrell. Courtesy and quick service are assured, as well as quality food and drinks. Sandwiches and short orders are specialties, with fountain service and cold beer available. They are open from 7 A. M. until 11 P. M. daily.

Mrs. C. B. Pedersen of Tahoe Park, accompanied by her daughter, Miete, motored down to San Francisco on Saturday last, remaining until Wednesday.

Now occupying their Carnelian Bay homes are Mrs. E. Bissell and Miss Ruth Sherwood.

Dr. and Mrs. H. H. Searls spent the week end at the family home near Carnelian Bay. Their son, Henry, Jr., home from Annapolis Naval Academy for a month's leave, accompanied them. He won the academy boxing championship in his plebe year, the first time in the history of the academy this has happened.

Mr. and Mrs. Aubrey Smith of Butte, Mont., and son, Gary, spent several days last week with the A.M. Andersons in Tahoe City. Mrs. Smith being Mrs. Anderson's sister. It was their first trip to Tahoe and they were most enthusiastic about it. While here they drove around the lake, enjoying a picnic lunch en route. They left Friday for home, going by way of Oregon and the northwestern route.

Mr. and Mrs. Earl Schnetz of Sacramento have opened their family home at Homewood for the summer.

Also in for the summer are the C. F. Prentiss family of Sacramento, also at Homewood. They are accompanied by their daughter and family.

Mrs. G. W. Walters has arrived to spend some time at her estate near Rampart Station on Truckee river. Also in their Truckee river homes are Dr. and Mrs. E. H. Ellis and family; Dr. J. W. Hill family and Dr. and Mrs. Clark Burnham who have opened their summer home, Burnham Hill.

Robert Keyes of San Francisco is visiting his wife at Tahoe for several days. She is employed at the Tahoe telephone exchange for the summer.

Thirty telephone company employees enjoyed an outing at Meeks Bay on Thursday last week, the day being climaxed by a wiener roast. They danced on the outdoor platform to the music of a portable phonograph.

Miss Virginia Moore of the telephone exchange here joined her husband in San Francisco last weekend, then proceeded to Modesto to visit with her family. She reports the valley heat terrific.

Miss Doris Vote of Stockton became Mrs. James Monteleone at a Sunday wedding in Reno. The couple visited with friends here before returning to Stockton where they will establish their home.

Leslie Friedman, government surveyor, has been transferred to Reno from Pittsburg. He will work on the Lemon Valley project. He breakfasted with the Jack Malcolms on Sunday en route to his new job. He is well known at Tahoe.

Mrs. Malcolm's daughter, Mrs. Harold Thompson and son, Gene, spent several days last week at the Malcolm home. Her husband is employed as a special policeman at McClelland Field in Sacramento.

Mr. and Mrs. Fred Manley, who wintered in Los Angeles, have arrived at their Tahoe Park home for the summer.

Mr. and Mrs. Arthur Jacobson are occupying one of the Watson cottages in town for the summer. He is employed as express agent at Tahoe.

Mr. and Mrs. Edward Black of Reno are at Homewood for the season, having recently purchased the Holabird Nest on the lakeshore.

Mrs. Gilbert Donaldson and son, David, of Oakland were guests for four days last week at the A. M. Henry home in town.

Mr. and Mrs. Walter Deaton of Reno and daughter, Patricia, spent a week at Meeks Bay, Deaton being a successful fisherman while there.

Mr. and Mrs. Jess Sisk are this week entertaining a nephew, Clarence Andrews of Berkeley, who is at Tahoe honeymooning with his bride of a few days. On Sunday last he married Miss Anita Fagiani of Napa at St. John's Church in that city. A reception which followed the ceremony at Paradise Park, St. Helena, was attended by more than 100 of the popular couple's friends and relatives. They will make their home in Berkeley, the groom being employe by the Kaiser Company there.

Vacationing at Chambers' Lodge recently were Mr. and Mrs. Willie Chung and family of San Francisco; Mr. and Mrs. Arthur C. Cohn of Burlingame; Mr. and Mrs. Andrew Schotky of Mariposa and Mr. and Mrs. W. C. Graves and son, Gilbert, of Fresno.

RAPID GROWTH OF LIBRARY AT TAHOE SINCE 1937 TOLD IN OFFICIAL GRAPH

TAHOE CITY, July 2—Mrs. Fay C. Russell, county librarian, has written Mrs. Anne Arderson for pictures of the Tahoe library, inside and out. She is working on a graph and wishes to publicize the splendid growth the Tahoe library has made since its modest beginning in August, 1937. At that time only 125 books were put into circulation monthly, quite a contrast to the present day approximate average of 1,000 books and magazines now being read each month.

Everything has grown at Tahoe—the number of books, added shelf space, increased reader interest—everything in fact but the librarian's hard-earned salary of \$15 monthly. The work volume required for this sum is great and includes caring for the books, keeping accounts, cleaning the room and putting in long hours at night on inventory and other details. If an assistant is necessary she must be paid out of the librarians wages. The county board of supervisors controls the purse strings and sufficient concerted effort on the part of Tahoe voters might bring about a correction of this condition. Fine gifts of books were received by Tahoe City library last week from Robert Wathen, H. A. Becker and Mr. and Mrs. J. Zimmerman of Meeks Bay, according to Mrs. Anderson.

Lake Resident on Good-Will Tour of South America

TAHOE CITY, July 2—Mrs. R. C. Walker is reported on a goodwill tour of South American countries for the U. S. government, her objective being the cementing of friendship between the peoples of all the Americas. She is traveling by plane, a method of transportation with which she is well acquainted, being a noted aviatrix herself. One book that she has written is "Equator North-Equator South."

Her sister, Mrs. Tandy of Kansas City, is now at the lake having accompanied the Walker children to Tahoe for their summer vacation at the family home in Tahoe Pines.

Parcel Post Party at Meeks Bay is Very Successful

by PEARL HELLER

MECKS BAY, July 2—About 70 people joined in the festivities in the H and W Club house a Meeks Bay on the occasion of the annual Parcel Post party. The building resounded with laughter and merriment indicative of the enjoyment being spent by the happy throng.

The occasion was the fifth of its kind in the club's history.

Nearly 100 parcels were sold at the improvised post office window, coming from almost every state in the union. A long bingo table was crowded with players, Mrs. Wm. Paquet of Los Angeles won ladies high score and Vern Mullens of Taft won the men's award. Bingo awards were donated by Mrs. Sam Goss of Tahoe City. Two boxes of delicious peaches were donated by Sam's Market in Tahoe City and auctioned.

Mrs. Lee Garner donated a special award which was won by Mrs. Keene Tackett of Tahoe City.

"Madame Zucca" in person was present and busy telling fortunes. Delicious refreshments of doughnuts and coffee completed a most successful party.

Tahoe Kwikies

The level of Lake Tahoe on Monday morning stood at 6228.90 according to W. A. Simmonds of Tahoe City. There are 1400 CSF of water now leaving the dam gates. The Truckee is still running high and swift and is still a threat to property due to high water.

Rusty Frodenberg, son of Mr. and Mrs. Arthur Frodenberg of Anchorage, Alaska, is spending the summer at the home his grandmother, Mrs. W. A. Simmonds near the Tahoe dam.

We wish to correct an error in an article in last week's Sierra Sun. It was Miss Shirley Ables, daughter of Mrs. Ruth Ables of Tahoe City, and not Miss Shirley Moore who so gracefully presented the Hawaiian dance during the closing exercises at Tahoe Lake School. Sorry, Shirley.

Mrs. Bliss Hinkle of Tahoe City is in receipt of a letter from Washington from a friend working there who urges all stenographers looking for government positions to try in the national capital. From 30 to 40 words a minute are all that are required of typists, with chances for advancement excellent.

Capt. and Mrs. John Kvistberg of Tahoe Park left Tahoe on Thursday night for San Francisco where Capt. Kvistberg received his sailing orders. Mrs. Kvistberg returned to Tahoe on Monday, bringing with her Mrs. Walter Gustafson of Elizabeth, N. J., who came to San Francisco to join her seafaring husband three weeks ago. He has put to sea again, so Mrs. Gustafson, after visiting briefly in Tahoe City, will continue on to Seattle where she will be the guest of relatives indefinitely.

Dr. Edward Purcell of Oakland has arrived at Tahoe Tavern where he will again serve as resident physician this summer.

Constable and Mrs. Harry Johanson this week renamed their twin kids Pop-Eye and Olive Oil instead of Ole and Helda.

Pete Vanni and Dick Hinkle last week aided materially in collecting for the national rubber drive now in progress by conducting a hunt for the precious material, securing between 400 and 500 pounds in one day. They found some in the form of tires thrown into the lake and the rest along roads and in out of the way places.

At Carl Becholdt Jr.'s Standard Oil station in town over 10,000 pounds has been turned in and at Henry's Garage some 3,000 pounds, mostly donated. At Standard Station No. 1144 at the Tahoe wye over 1,100 pounds have been received with more anticipated.

Miss Helen Worden, who has been confined for nearly a week at Alta Bates Sanitarium in Berkeley with a severe attack of bronchial pneumonia, is now back at the home of her aunt, Mrs. Agnes Wallman, of Oakland, where she must remain for the next ten days. She is allowed to sit up 15 minutes twice a day at this writing. As soon as permissible she will return to her home here in the Sunnyside district for a complete rest before she returns to her job in an Oakland bank. Her mother returned to Tahoe Monday following a ten-day visit in the bay region.

Leslie Atherton is back at Tahoe assisting his dad in his Tahoe City mercantile store for the summer.

Brodehl Family Is Busy In Many Spheres in Week

TAHOE CITY, July 2— On Wednesday of last week Mrs. D. M. Brodehl, her daughter, Mrs. Robert Pomin, and two children, who are her houseguests for the summer, motored to Lodi on business, thence to Sacramento to visit another daughter, Mrs. Esther Jones, and family, and then on to Berkeley to spend time with Robert Pomin. They returned to Tahoe Saturday night.

Miss Beccy Brodehl is holding two jobs this summer. At 9:30 every morning she takes the mail for her father to Crystal Bay and then returns to the Brockway post office where she is employed for the summer as assistant postmaster. At 3:30 she returns to Tahoe City with the outgoing mail.

D. M. Brodehl on July 1 took over the contracts for carrying the mail which he government recently renewed.

MONTEREY BAY

The Bay of Monterey was discovered in November, 1542, by Cabrillo.

OBSERVERS WANTED!

Have you taken your turn on observation post in town? Additional observers are needed badly in Tahoe City, as many are now giving their time at the expense of their business. Vacationists and summer residents are requested to get in touch with C. W. Vernon, Tahoe City 62 or 88 and leave their names. The women must now go on duty every 10 days while the men's turns come up approximately every 26 or 27 days.

Champion Anglers Report Varying Luck in Lake

TAHOE CITY, July 2— Jack Malcolm of Tahoe City and his wife, pioneer anglers of this region, on Sunday had varied measures of success, the Major catching two nice mackinaw weighing 10 and 7 pounds, and Mrs. Malcolm (whose biggest catch scales at 28 pounds) hauled in her line to find on the end of it a mackinaw weighing exactly 1/2 of a pound.

TAHOE RED CROSS

TAHOE CITY, July 2— Members of the Tahoe branch of the American Red Cross met at Tahoe Community Center Tuesday afternoon with Mrs. A. A. Snyder as sewing chairman to sew on a shipment of women's blouses.

Many of the summer colony residents were present to assist the local chapter in filling its quota, including Mrs. W. W. Crane of the Truckee River district who has been awarded a Red Cross pin for serving over 150 hours with the Los Angeles chapter since last fall. Mrs. Crane won her pin for knitting, standard and advanced first aid, home nursing and nutrition, and said that if her age had not prevented she would also have gladly been a blood bank donor.

Mrs. Maude Elliott, also of the Truckee River district, knitted over 25 sweaters and 20 pairs of socks and awarded a pin as a blood bank donor. Mrs. Richard K. Ham, who has given many hours of service in the Piedmont chapter, is now working with the Tahoe branch, as is Mrs. Lloyd Yeakel.

The hours of service necessary in the Auburn chapter (of which Tahoe is a branch) before the Red Cross pin may be awarded is 100 hours. Many of the Tahoe ladies are now eligible for a pin, several having put in many more than the required number of hours. Those now having pins, or eligible therefor, are Mesdames E. C. Rogers, Matt Green, J. Howard Johnston, John Burns, Henry Wehrman, Jess Sisk, Fenton Ball, John Pingree and George Bliss. A number of ladies in the group at the North End of the lake have also put in the required number of hours entitling them to wear a Red Cross pin.

The following have donated money to help fill the 31 ditty bags recently made by the Tahoe group: Mesdames W. A. Simmonds, E. C. Borden, N. R. Mayfield, John Burns, Henry Wehrman, A. M. Anderson, J. E. Pomin, Alice Brown and George Bliss and Mr. C. E. Walkup. It costs 90 cents to fill a bag completely.

Yarn was recently received to knit six Navy sweaters and 10 watch caps. The Tahoe branch has been asked to get these garments made as quickly as possible. The sweaters are now under way and knitters are urged to knit the caps. Yarn may be obtained from Mrs. Bliss.

Mr. and Mrs. Charles Arment and little daughter, Jacquelyn, former residents of Tahoe Public Camp where he was fire warden, were visitors at the camp over the week end. They enjoyed visiting while here the Eric Druhn and the Charles Swansons, returning to Nevada City Sunday. T. M. Arntzen enjoyed a week end at Tallac while the Arments occupied his house in Tahoe Park.

Death Claims Kin Of Sunnyside District Man

TAHOE CITY, July 2— Death struck swiftly last Thursday, taking the life of eight-year-old Patricia Joan Purcell, grand daughter of Charles Swanson of Sunnyside. She was the child of his daughter, Mrs. Hugh Purcell of San Francisco, also the mother of four-year-old Teddy.

The little girl had been a patient at a private sanitarium in Sonoma county where she was suffering from an attack of measles. Pneumonia set in and the child died before her mother could reach her bedside.

Swanson left by train Thursday night for San Francisco, attending private rites held at the sanitarium Friday afternoon. The chapel was filled to overflowing with floral pieces for the little girl who had frequently visited at the lake where she was well known.

Former Lake Couple To Be Married During July

TAHOE CITY, July 2— An announcement of interest this week is the coming marriage of Miss Ruth Moore of Reno, daughter of Mrs. Glenn Sweeney of Tahoe City and L. M. Moore of Phoenix, Arizona. The prospective groom is Dallas Brown, son of Mr. and Mrs. Sim Brown, caretakers at Edwards' Lodge near Tahoe. The couple plan to marry sometime this month in Reno, arrangements not having been completed at this writing. Robert Moore, brother of the bride-elect, and his wife, Mary, will attend the wedding, the latter to serve as matron of honor.

Miss Moore is a graduate of the Tahoe branch of the Placer Union High school and has been employed since, going to Reno at Ginsberg's jewelry store and at the Reno exchange of the Bell telephone system.

Pullman Diner at Lake Opened By Ernie Hoerdler

TAHOE CITY, July 2— Ernest Hoerdler of Covina has arrived to open his cozy Pullman Diner at the Tahoe City Wye once more. Proof of the excellence of his filet steaks, in which he specializes, is the string of cars seen parked outside his popular eatery during the busy season.

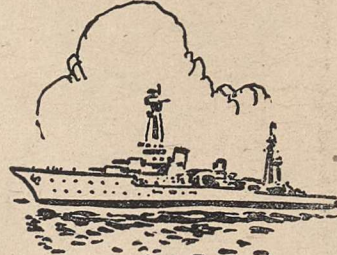

His wife and two daughters, Mary Ann and Patsy, arrived at Tahoe the first of the week for the summer.

Ernie combined business with pleasure on Monday when he took a few minutes out from his work to try his hand at fishing in the Truckee which runs in front of his diner just across the highway. He was rewarded by catching a fine 8 pound German brown, using minnow for bait.

Wasted money is wasted lives. Don't waste precious lives. Every dollar you can spare should be used to buy War Bonds. Buy your ten per cent every pay day.

What You Buy With WAR BONDS

Navy Cruisers are built in two classes, light and heavy, the latter displacing about 10,000 tons. Our navy has about an equal number of light and heavy Cruisers, the 10,000 ton Cruiser costing approximately \$20,000,000. Many Cruisers are under construction and many more are needed.

To pay for these speedy and powerful ships with their heavy guns and armament we must buy War Bonds. Citizens of a large town or a given community, working in unity, could buy one of these ships for the Navy if they put at least ten percent of their income in War Bonds every pay day.

U. S. Treasury Department

Party Given Honoring Retiring Officers of Club

TAHOE CITY, July 2— Fourteen ladies attended the dessert bridge party held on Wednesday afternoon last week in the Tahoe community center hall given in honor of Mrs. Floyd Carnell, retiring president of the Tahoe Women's Club, and other retiring officers, Mrs. Irene Duffee, vice president, and Mrs. C. O. Valentine, treasurer. Appropriate gifts were presented.

Iceland poppies, red tulips and purple lupin adorned the tables around which gathered Mesdames Carnell, Duffee, Ruth Mayfield, the new president; Northie Pomin, new vice president; Gerda Kvistberg, Eleanor Swanson, C. O. Wheat, Pearl Heller and Alice Kehlet of Meeks Bay, Stella Watson, Ida Simmonds, Hazel Sweeney and Della Goss. Winners at bridge were Mrs. Pomin, first; Mrs. Kehlet, second, and Mrs. Sweeney, low.

Mrs. Mayfield summoned a quorum of members who passed a motion appointing Mrs. Stella Watson as custodian and hostess for the club during the current season—a job she is executing most efficiently.

The card party held by the club on Friday night was lightly attended, due partly to two circumstances. The first was an "unusual" rainstorm which struck the region, drenching most of the west lakeshore. The second was lack of advance publicity, the party having been decided upon at a late date. Winners were Joe Henry, Mrs. Elsie Druhn and Eleanor Swanson, high, and Norman Mayfield and Mrs. Ruth Ables, low. Ice cream and cookies were served at the conclusion of the card games.

Hole-in-One is Scored On Golf Course at Tahoe

TAHOE TAVERN, July 2—Chuck Gylfe, musician at the Tavern, Monday made a hole-in-one on the difficult sixth hole on the Tavern golf links in Tahoe City. The hole is 166 feet from the tee. Gylfe made his ace while playing with Jimmy Lo Presti, LeRoy Griffith and R. M. Brennan. Pete Perelli, course pro, also witnessed the shot.

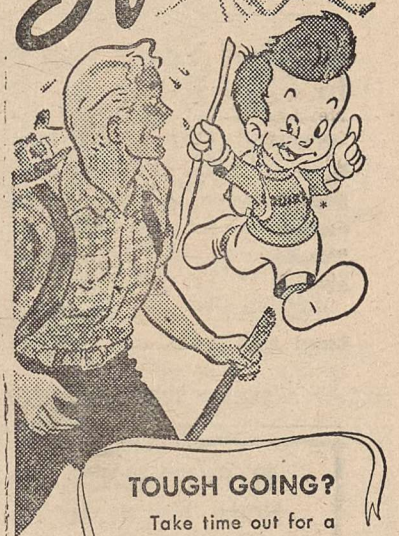

A second ace was nearly scored when Griffith's ball followed up to the pin and bounced back three inches. Griffith is also a musician at the Tavern.

San Franciscan Is Organist At Lake Catholic Rites

TAHOE CITY, July 2— Sylvia Glasgow of San Francisco was the organist at the 10:30 Mass held in the Catholic Chapel near Valentine's on Sunday. Mrs. M. Schaackey of Tahoe Pines was guest soloist. Miss Glasgow is visiting at the home of her sister, Mrs. Ruth Turnage, in Lake Forest.

Father Daly announced on Sunday that Mass will be held in the Tahoe chapel on Friday, July 3, the first Friday of the month. Confessors will be heard from 7:30 A.M. to a few minutes before 8:00 A.M. by the attending priest. A second collection will be made on Sunday next for the benefit of the Catholic universities of America.

One of the first pictures of the battle of Midway island, this photo shows all that remains of a Jap cruiser after U. S. navy fliers hit it with bombs from carrier-based aircraft. It is in sinking condition. Jap seamen are crowding the front of the boat in an effort to flee the sinking cruiser.

State of California Department of Public Works Division of Highways

NOTICE TO CONTRACTORS

Sealed bids will be received at the office of the State Highway Engineer, Room 373, Public Works Building, Sacramento, California, until two o'clock p.m. on July 15, 1942, at which time they will be publicly opened and read in the Assembly Room of said building, for construction in accordance with the specifications therefor, to which special reference is made of portions of the State Highway Act.

Nevada and Sierra Counties, between Farad and Nevada State Line (III-Nev. 38-B, A), about three (3.0) miles in length to be graded and surfaced with crusher run base and plant-mixed surfacing.

THIS IS A NATIONAL DEFENSE CONTRACT UNDER DEFENSE HIGHWAY ACT OF 1941.

PRIORITY NOTICE. — Office of Production Management, Division of Priorities, Administrative Order No. 12, transmitted by letter dated January 7, 1942, indicates that a Priority Preference Rating of A-4 will be assigned to this project to obtain materials and equipment required for the completion thereof.

Bidders are informed in advance that recent rulings of the War Production Board subsequent to the above Administrative Order, prohibit the extension of the preference rating for this project to the purchase of equipment but permit the purchase of repair parts for equipment when such repair parts cannot be obtained under Preference Rating Order No. P-100.

Before submitting bids on this project, Contractors are required either to own or to have access to sufficient equipment to complete the project.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done as follows:

Classification	Skilled Labor	Rate per Hour
Asphalt mechanical finisher operator		\$1.50
Asphalt plant mixer operator		1.25
Carpenter		1.375
Concrete mixer operator (except paving)		1.25
Mason		1.75
Mechanic (trouble shooter)		1.50
Motor grader operator		1.625
Operator of power shovel or other excavating equipment, shovel type controls (up to and including one cubic yard)		1.60
Operator of power shovel or other excavating equipment, shovel type controls (over one cubic yard)		1.75
Powderman		1.0625
Roller operator		1.50
Tractor driver		1.50
Truck driver (18 cubic yards water level capacity or more)		1.4375
Truck driver (14 cubic yards and less than 18 cubic yards water level capacity)		1.3125
Truck driver (8 cubic yards and less than 14 cubic yards water level capacity)		1.25
Truck driver (4 cubic yards and less than 8 cubic yards water level capacity)		1.0625

Intermediate Grade Labor	
Asphalt plant dryerman or fireman	1.20
Concrete vibrator operator	1.00
Jackhammer operator	1.00
Oil distributor bootman	1.00
Oil power shovels or cranes	1.10
Truck driver (less than 4 cubic yards water level capacity)	0.90

Unskilled Labor	
Flagmen	0.875
Laborer	0.875
Teamster	0.875

Positions not listed above will be allocated in accordance with the definitions which appear in the special provisions, as interpreted in the light of this classification.

The minimum wage paid to all skilled labor, for which rates are not shown above, shall be not less than \$1.00 per hour.

The minimum rate to all intermediate labor, for which rates are not shown above, shall not less than 90 cents per hour.

The minimum wage paid to all unskilled labor, for which rates are not shown above, shall not be less than 87½ cents per hour.

Overtime—one and one-half (1½) times the above rates.

Sunday and holidays (except watchmen, guards and flagmen)—one and one-half (1½) times the above rates.

In accordance with the provisions of Section 1777.5 of the Labor Code, as amended by Chapter 971, Statutes of 1939, and in accordance with the regulations of the California Apprenticeship Council, properly indentured apprentices may be employed in the prosecution of the work.

In accordance with the provisions of the State Contract Act, prospective bidders must file with the Department of Public Works answers to questions contained in standard form of questionnaire and financial statement including a complete statement of their financial ability and experience in performing public works. Standard forms of such questionnaire and financial statement can be obtained from the State Highway Engineer at office Public Works Building, Sacramento. The Department of Public Works will not furnish proposal forms to prospective bidders who have not submitted such questionnaire and financial statement for prequalification at least five days prior to the date fixed for publicly opening sealed bids and been prequalified for a least one day prior to said date.

No bid will be accepted from a Contractor who is not licensed in accordance with the law, under the provisions of Chapter 791, Statutes of 1929, as amended, or Chapter 37, Statutes of 1939, as amended, or to whom a proposal form has not been issued by the Department of Public Works.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all applicable Federal statutes, rules and regulations will apply to such work.

The attention of bidders is particularly directed to the provision of Section 7, article (a), subsection (6), of the Standard Specifications regarding the use of domestic materials; and also to the provisions of Section 8, article (a) and (b), of the Standard Specifications, regarding subcontracting and assignment of the contract respectively.

Plans may be seen, and forms of proposal, bonds, contract and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated and at the office of the Associated General Contractors in San Francisco. The District Engineers' office are located at Eureka, Redding, Marysville, San Francisco, San Luis Obispo, Fresno, Los Angeles, Mar. Bernardino, Bishop, Stockton and San Diego.

A representative from the district office will be available to accompany prospective bidders for an inspection of the work herein contemplated, and Contractors are urged to investigate the location, character, and quantity of work to be done, with a representative of the Division of Highways. It is requested that arrangements for joint field inspection be made as far in advance as possible.

No bid will be received unless it is made on a blank form furnished by the State Highway Engineer. The special attention of prospective bidders is called to the "Proposal Requirements and Conditions" annexed to the blank form of proposal, for full directions as to bidding, etc.

The Department of Public Works reserves the right to reject any or all bids.

DEPARTMENT OF PUBLIC WORKS, DIVISION OF HIGHWAYS
 Dated June 26, 1942
 (June 25, July 2, 9)
 C. H. PURCELL,
 State Highway Engineer.

Telephone Users Lauded By Prexy

Acknowledgment of the splendid cooperation shown by telephone users in helping the telephone industry to meet unprecedented wartime demands in the face of restrictions necessary to save materials vital to the war was expressed today by N. R. Powley, president of the Pacific Telephone & Telegraph Company, in a report covering the coast-wide operations of the company during the first six months of 1942.

Copy of the report was received here today by A. P. Leitch, local manager of the company, who stated that it also showed that more than 1300 telephone employees are now in military service and that 97 per cent of the coast-wide personnel is purchasing United States War Savings Bonds through the payroll allotment.

The telephone president's report said in part:

"Our company in its all-out war effort, through its resources, facilities and personnel is earnestly engaged throughout all branches of its work in playing its full, effective and patriotic part to take our country through

San Francisco Is Phoniest City in U.S., Figures Show

SAN FRANCISCO, July 2—(RNS)—San Francisco has more telephones per capita than any other city in the United States—or in the world!

Once led by Washington, D. C., San Francisco is now first with 45.4 telephones per 100 persons, while the nation's capital trails with 40.6.

San Francisco's telephonitis was attributed at least partly, to the fact the bay city is virtually the western capital of the United States, with regional headquarters for many federal and state agencies now located there.

to Victory.

"In compliance with orders of the War Production Board regarding the conservation and restriction of the use by telephone companies of all materials essential to the war effort, all telephone installations are made subject to the requirements of these orders.

"The heavy demand for telephone service continues—both local and long distance. The cooperation and expressed sympathetic understanding of our customers regarding the magnitude and importance of the problem with which we are confronted in handling with dispatch the communications directly concerned with the armed forces and the war emergency work make it possible for us to be of the maximum service to our Nation and the communities and customers we have the privilege of serving."

ONLY ONE STOP
It's The Law!

to save precious rubber for the war effort, the director of Defense Transportation issued a general order to service industries which says:

1.—We cannot make more than one stop at each customer's residence in any one day. This means to pick up your laundry, your bundle must be ready and available when we call. To deliver your laundry, we must make collections at the time of delivery. If these rules are not complied with, we must postpone delivery or pickup until the next day.

2.—We cannot give any special delivery service. This means any requests, other than our regular delivery service, cannot be granted.

3.—We must reduce our truck mileage 25 per cent each month below what it was the same month last year. This means we must re-schedule our delivery service in each territory.

This is a government order, we must comply with it

The inconvenience caused by this order will mean a sacrifice to both of us. But we feel that it is a small sacrifice, because it will enable us continue to serve you and at the same time help our nation in its effort to win the war.

Fontana's Laundry & Cleaners
 TRUCKEE, CALIF. Telephone 124

Johnny Obbeck of Philadelphia, former professional boxer and masseur, celebrated his 66th birthday by boxing 25 rounds.... George Weiss, vice president of the Yankees, says George Stinweis, Newark second baseman, is the best minor league player in the country.... In the Northwestern-Purdue football series, each team has won 12 times and one ended in a tie.

Phil Troy, Red Sox secretary, sends Owner Tom Yawkey a 100-word wire summary of each game played on the road.... Chuck Klien, now coach with the Phils, holds the modern National league record for runs scored in one season, having crossed the plate 158 times in 1930. The all-time record belongs to Billy Hamilton of the 1894 Phillies.... Two Wisconsin football players, Dave Shreiner, end, and Hod Hoskins, halfback, are spending the summer as lifeguards at a Dubuque, Iowa, swimming pool.

With Coach Benny Friedman trying to get into service, the City College of New York announces that it will probably abandon football.... Vinnie Richards, former Davis Cup and pro tennis star, is a lieutenant in the New York state guard.... Washington's housing problem already has affected the Redskins. The hotel in which the professional gridder has been housed has notified Owner Mar shall that accommodations no longer are available.

California has received a larger volume of war contracts than any other state.

North Tahoe News . . .

by MADELINE GALLERANI

Mr. and Mrs. Floyd Frame and young son, Leroy, formerly of Hawthorne, Nev., are now residing at Tahoe Vista.

Mrs. Phil Crocker and Mrs. Marion Foster of Oakland are guests for a week at the home of Mrs. Fred Barton in Kings Beach. Mrs. Crocker is the daughter of Mrs. Barton.

Don Hartman and Mrs. Hartman are at their Brockway home.

Mrs. Christine Hubbell and her two children returned to their home in Compton after spending several weeks as guests of the Gilbert Ballard in Sandy Beach.

Mr. and Mrs. Joseph Gallerani of Cave Rock returned to their home in Pomona and plan to return in two weeks to spend the rest of the summer at their lake home.

Jean Whitty of Reno is spending the summer at Kings Beach.

E. M. Frost is building a duplex in Kings Beach.

Mrs. Fred Barton and Mrs. J. J. Higbee motored to Carson City on Friday.

Mr. and Mrs. Walter Mandeville and young son, Walter, Jr., are now residing in Kings Beach.

Mr. and Mrs. A. VreNon and daughter, Arlene, of Hawthorne, Nev., are now residing at Hidden Village in Tahoe Vista.

Mrs. Fred Barton returned to her home in Kings Beach after spending the winter in Pittsburg where Mr. Barton is employed in defense work. Their son, Ray, spent the past week-end with his mother before returning to Mare Island where he is doing defense work.

Jack Price of Salt Lake City is spending his third summer here as a employee of Cal-Neva.

Louis Olsen and Edward Sherman spent two weeks at the Rustic Cottage Court in Tahoe Vista.

Mr. and Mrs. F. Vercoe of Reno are spending a few weeks at their Kings Beach home.

Mr. and Mrs. C. Fastini of Reno are here to open their restaurant The Gables, in Kings Beach.

Michael Humphry, former fire chief of Sacramento, and Mario Solvio of San Francisco visited with Mr. and Mrs. J. V. Riolo.

Mrs. D. C. Barnett was ill for a few days but is now fully recovered.

H. B. Anderson and John Lapiro are at their respective homes in Kings Beach.

A. Gallerani and Sons have completed a patio and barbecue pit at the D. C. Benedict estate.

Pearl Lynes of Kings Beach left Wednesday for a short visit in the bay region.

John Rondelli was promoted to the rank of corporal. This promotion came after he had been in the Army 2½ months. He is now stationed at Tacoma, Wash.

Mr. and Mrs. H. Fray of Reno brought several friends to their Kings Beach home over the week-end.

Mr. and Mrs. A. T. Eveleth of Reno spent the week-end at their lake home.

Dr. and Mrs. H. O. Solomon of Oakland are at their cottage on the Brockway golf course.

Dr. A. L. Brown and family are at their beach cottage in Kings Beach.

The R. E. Andersons are at their home in Kings Beach.

George Seymour, who was painfully hurt a month ago while helping to move a small cabin which suddenly fell on his foot has now discarded the crutches which he was forced to use. He is now getting around with the aid of a cane and hopes to be walking normally in the course of two weeks.

The Ray Hughes of Woodland opened their summer home at Donner Lake last week.

Greek Meets Greek

King George II of Greece is shown conversing with Archbishop Athenagoras, head of the Greek church in North, South and Central America, shortly after arriving at the Pan-American seaplane base at Baltimore. The king came to America to obtain aid for Greek Troops still fighting against the Axis.

Betty Bick Is Married to Klamath Falls Railroader

Mr. and Mrs. Neal Montague of Klamath Falls, Ore., stopped off in Truckee Sunday to visit friends following their wedding in Reno on Saturday afternoon. Mrs. Montague was Miss Betty Bick, daughter of Mr. and Mrs. J. E. Bick and a former Truckee girl.

Father Ryan conducted the nuptial ceremony in the Cathedral of Our Lady of the Snows, and Mrs. Bick, who also visited here briefly, was a witness.

Mrs. Montague left here two years ago and has been attending school in Klamath Falls. The bridegroom is the son of Mrs. Dora Montague of Klamath Falls and is employed by the Southern Pacific Company.

The best wishes of their many local friends are extended to the young couple.

In Reno Hospital—

Mrs. Melvin Hayes is reported to be recovering from an illness in a Reno hospital.

Return to San Francisco—

Miss Cora Bullard and Leland Laity returned to San Francisco Wednesday following a visit of several days at the home of Mr. and Mrs. W. H. Laity.

Suffers Injuries—

Frank Clark, who is employed at Donner Lake Resort, suffered a badly sprained left wrist and body bruises when he fell from a 15-foot step ladder while working Saturday.
